

The Institution for Statutory Accident Insurance and Prevention in the Metal Industry
(Berufsgenossenschaft Metall Nord Süd) hereby attests that

VAG-Armaturen GmbH
Carl-Reuther-Straße 1
68305 Mannheim

fulfils the requirements for systematic and effective occupational safety and health
for the **Systematic Safety seal approval** in accordance with
the industry-specific implementation of

ILO-OSH 2001

Guidelines on occupational safety and health management systems
(International Labour Organization)

The assessment on 08 December 2009 was carried out on the basis of the
„BG procedural principles for the assessment of occupational safety and health management systems“.

This certificate will remain valid until 07 December 2012.

Mainz, 29 December 2009

Compliance with the requirements of the Occupational Safety and Health Management System SCC

Dear Sirs,

On 08.12.2009, an assessment of your occupational safety and health management system was carried out by the Institution for Statutory Accident Insurance and Prevention (Berufsgenossenschaft Metall Nord Süd) with a successful result.

Thus, your company is entitled to keep the „**BG-Systematic Safety Seal Approval**“ for a period of 3 years.

We would like to congratulate you on that.

Along with this assessment, it was ascertained that your company also meets the requirements of the „Safety Certificate Contractors“ SCC**.

Yours faithfully

Günter Wagenhäuser
For BG Metall Nord Süd
